SOB!  
THANKS FOR  
THE L-LIFT  
DEKE!

POOR HOUSE

**I**T'S okay to be the world's champion LADY WRESTLER, but there's no money in it these days! ... But that's nothing! ... Daffy's hot-shot boy-friend, Deke Parsons, can dope out plenty of get-rich-quick promotions --and there's no money in them either!! But what they lack in profit they usually more than make up for in trouble... ...for poor DAFFY, of course!
